Re: **Your 2008 Summer Camp Invitation**

Dear Scout Leaders:

Help your Scouts experience the **fun and adventure** of the out-of-doors in a safe environment! Provide them **opportunities to learn and earn advancement**. Summer camp will also help them to develop **independence and self reliance**.

At each of our camps, you will find:

- ★ Many **choices** to fit your troop's needs,
- ★ Programs that are **unique**, and
- ★ An **excellent staff** to lend support to your Scouting program.

We are preparing to make the 2008 camps a memorable summer experience with flexible programs to meet your needs. Our goal is to provide your unit and Scouts with **camps of unparalleled quality that have enthusiastic, knowledgeable staffs with a renewed commitment to provide your Scouts the best camp experience possible**.

We also offer **great high-adventure activities at Hamman Scout Camp**. Remember, while your troop is at camp, your older Scouts can participate in the **programs at Hamman** ... and you don't need to provide leaders for the Scouts at Hamman!

This Fun Kit is to get you started, to help all of your Scouts, as a unit or individually, get excited about joining us this summer. Your simple instructions are:

- ★ **Show your Scouts the poster and explain the opportunities.**
- ★ **Use the poster and brochure in this kit to inform your:**
 - **Unit leaders**
 - **Troop committee**
 - **Parents**
- ★ **Either sign up or return the postcard.**

If you have not registered yet for The Ranch and/or Hamman Scout Camp in 08;

- ★ **Do not delay! Camps are filling quickly!**
- ★ **Do it today!**

Help your unit keep the **Outing in Scouting** with a memorable long-term camping experience!

C-U There!

Sincerely,
